

Paraprofessionals; Critical Partners Roles, Considerations and Strategies for Supporting Students with Deafblindness

NEW JERSEY CENTER ON DEAFBLINDNESS (NJCDB)

Friday March 22, 2019

9:00am - 3:00pm

The College of New Jersey

Paraprofessionals are an invaluable member of the educational team serving students with deafblindness. This training activity will address the definitions of, roles, instructional strategies and considerations for paraprofessionals supporting a student with deafblindness. Participant's questions and experiences will guide discussion.

Definition: Federal definition of positions and responsibilities

Roles: Team member, personal care provider, instructor, communication partner

Strategies: Data collection, calendar and communication systems and supports

Considerations: General overview of best practices and resources

Paraprofessionals
