Campaign for Language & Literacy Excellence

"Promoting Statewide Systemic Change for Young Deaf Children"

The New Jersey Department of Human Services' Division of the Deaf and Hard of Hearing (DDHH) in partnership with The College of New Jersey's School of Education's Center for Sensory and Complex Disabilities (CSCD) is excited to announce their continued partnership through The Campaign for Language and Literacy Excellence (CLLE).

CLLE is a statewide initiative focusing on the promotion of early language and literacy development in young deaf, hard of hearing and deafblind children. CLLE continues to expand collaborative partnerships with agencies and higher education institutions invested and working to also address this need. To learn more, visit our website
